

New Additions at Deacon Industrial (June 2016)

Ken Rainey, Product Manager – Automation and Controls comes to Deacon Industrial from MRC Global, where he was responsible for technical valve automation sales/service. Prior to that, Ken worked for A&M Industrial Supply and Tyco Valves and Controls. Ken brings with him a great deal of valve and automation experience. He is a great addition to the Deacon team!

Deacon Industrial Supply Company is an industry leader in the distribution of pipe, valves, fittings and many other related products and services across the Mid-Atlantic Region. Founded in 1963 on providing its customers with "sudden service", Deacon

Industrial has since developed the market's most experienced personnel, largest inventory and greatest service offering. We are able to provide our customers with even more timely service and value-added capabilities with our 150,000 square foot state-of-the-art distribution facility located in Harleysville, PA, and our newest Branch located in Camp Hill, PA. Deacon Industrial is committed to providing our customers with the best value in the industry. We invite you to experience the Deacon Difference!
